## PRESIDENT'S MESSAGE

Hello to all our Chapter 57 Members,

Maria and I hope your Thanksgiving was great and this letter finds you all in good health. What a beautiful Fall, no storms and pleasant traveling weather. As always, it's great seeing everyone at our luncheons, and at the fall rally.

In mid-September, we joined Chris and Jim, Diane and Morgan, Brenda and Lee, and Carolyn at Crystal Isles RV Resort in Crystal We all enjoyed a day at the flea market, ate Shrimp by the pound visited Homosassa Springs Wildlife State Park and at night, we sat around the campfire.

Please note that there is a new "Shared Campout Calendar" tab in the members section of our website <https://sungators57.wixsite.com/sungators>. Carl has provided instructions in this newsletter edition.

October found us at our fall rally held at Clerbrook Golf and RV Resort in Clermont. Our VP Carl hosted it and did a great job. He planned a trip through the Lake Apopka Wildlife Drive; plenty of birds and gators plus information about the lakes restoration. Clermont offers so much to do: great dining, lots of local attractions and a fantastic Saturday farmers market. Elections were held at our business meeting. A special thanks to Rose Irons for filling in as Chapter Secretary. I was nominated and elected to a second term as Chapter 57 President, and

Gloria was nominated and elected to her first full term as our Secretary. During the meeting a proposal was brought to the floor and passed; any chapter member who recruits a new member will receive one-year free chapter dues.

It was really nice seeing Richard and Marie LaFrate at the rally. Thank you Richard for entertaining us all with your great music.

Don't forget to join us at the Golden Corral in Zephyrhills on January 1st for a New Years Day luncheon. Check our website for officers contact information, upcoming events and our spring rally at Frog Creek Campground in Palmetto, April 23rd to the 29th.

Hoping all have a Merry Christmas, Happy Hanukkah and a very happy and healthy New Year.

Hugs and Happy Trails

## **From Your Vice-President**

### **Introducing the Sun Gators Members-Only Campout Calendar**

Over the past couple of years, the Sun Gators RV Club has talked about creating a Members-Only Campout Calendar—something simple, shared, and easy to use—so we can keep each other informed about upcoming camping adventures and invite fellow members to join in the fun.

### **That idea is now a reality.**

We are pleased to announce that the new Members-Only Campout Calendar is officially available to all club members who would like to participate. This calendar is **not** an official club rally schedule, but rather a community-driven tool designed to help members share informal camping trips, weekend outings, or extended adventures with anyone who may want to tag along.

### **How to Access the Calendar**

Because the calendar is built within Google Calendar, a **Gmail account is required** for access currently. Members who would like to use the calendar should simply send a request to the Sun Gators webmaster at:

**[sungators57@gmail.com](mailto:sungators57@gmail.com)**

Once your request is received, you will be granted access with full permission to **create and edit calendar entries**. This ensures that every participating member can add their own campouts and update details as plans evolve.

### **Instructions Available Online**

Step-by-step instructions for accessing, adding events, and editing entries are available in the **Members-Only** section/Members Campout Calendar Instructions on the Sun Gators website.

### **Non-Gmail Members**

We recognize that not all members use Gmail. At this time, only limited options are available for non-Gmail account holders to receive calendar updates. Additional solutions are currently being explored to expand access and make it easier for all members—regardless of email

provider—to stay informed.

## Questions?

Please contact the webmaster anytime at **sungators57@gmail.com** with questions or suggestions.

## Why Use the Calendar?

This shared calendar is an excellent way to enjoy more camping adventures throughout the year—beyond our two official club rallies (Spring and Fall). It's a simple tool to help members connect, coordinate, and build even more great memories together.

We look forward to seeing your adventures on the calendar—and at the campground!

## Reflections From The Fall Rally:

It was nice getting to visit with many of our fellow members at Clerbrook RV Resort in the Groveland/Clermont area. Our first evening was a delicious dinner out at the Salt Shack on the Lake restaurant. On Friday, a presentation and nice lunch was provided by Mary with MASA (Medical Access & Service Advantage). The business meeting was held and after that, we (the Lunde's) were presented with a huge cake for our 47<sup>th</sup> anniversary. More about this under Member News. It was so thoughtful. Thank you. So, we all had dessert first! It was delicious. Not long after that, many of us went to dinner at my personal favorite, the Oakwood Smokehouse. Their BBQ ribs are the best!

It was a perfect sunny day on Saturday for many to go on the Lake Apopka Wildlife Drive. It is about a 10-mile drive where you can experience viewing from your car a variety of birds,

nature, and alligators. At German bakery has a sandwiches. It was very and enjoying the live enjoyed a great pot luck Richard LaFrate.

some point, we all visited Yalaha Bakery. This large variety of baked goodies and German style comfortable sitting outside in the Bier Garten entertainer singing. In the evening, our members meal together and great music by our own

Sunday, a few of us got up Palace Café in downtown Farmer's/Street Market

early to have a delicious breakfast at Cheeser's Clermont. After breakfast, was a large where we viewed many craft and food booths.

Several pretty murals grace the walls of some buildings. For the evening dinner, several of us went to New Century Chinese Buffet. Yum!

Monday was another early start of the day to the Webster Flea Market. There is a lot of walking there. One doesn't want to miss finding a good deal! Ho ho! Others started their day going on the Tom & Jerry Airboat Ride. (see photo below) It looks like it was a fun time. At the 4 o'clock social, we said goodbyes in preparation for leaving in the morning. It was a nice rally. Thank you Carl Pichotta for hosting.

## MEMBER NEWS AND TRAVELS

### Lynn & Becky Lunde:

We had a very nice surprise when we attended the Fall Rally at Clerbrook. The group presented us with this beautiful cake for our 47<sup>th</sup> Anniversary. Thank you so much. It tasted delicious and we (the chapter) all enjoyed it. It made our day special.

After the rally we went to TT. There was a lot of extra water at Clerbrook due to some flooding. As we unpacked the car, a large frog jumped out at me when I opened the compartment door. When we took the bikes out of the car, we had some lizards. It's raining frogs and lizards! Ho ho

We are now on our site at the SKP park in Wauchula. There are so many fun activities. Plus, the activities. We attended the The park even had a "Christmas parade. It was beautifully went to a Christmas concert. It

We are now on our site at the SKP park in Wauchula. There are town has had a lot of Wauchula Christmas Parade. Sweet Treat Float" in the decorated. Another night we was excellent.

Merry Christmas and Happy Holidays to all!

### Gloria Jameson:

I hear that everyone had a wonderful time at the fall rally held at Cerbrook RV Resort in Clermont, Florida, October 21 through the 27th.

I was unable to attend because my puppy, Elvis had some major surgery. He is currently doing well. He just had his two-month check-up and is still not allowed to run, jump, or play, but he is healing quite nicely.

It was great to see everyone at the Golden corral Thursday, December 4 at 11 AM. The food was delicious, as always, and the camaraderie was fantastic. We gained a few new members!!! Till next time.

## JUST FOR LAUGHS

1. What do you call a bunch of chess masters bragging about their games in a hotel lobby over the holidays? Chess nuts boasting in an open foyer.
2. Why are Christmas ornaments addicted to Christmas? Because they get hooked on trees their whole life.
3. What did the Gingerbread man say when all the cookies were eaten? It's so hard to bake new friends.
4. Why does Santa Claus go down the chimney on Christmas Eve? Because it soots him.
